EXPERIENCE

ToGoBOX | Co-Founder

Aug.2017 – Current | Providence, RI

ToGoBOX is an online lunch pickup service provider. Bulk orders are collected through a web platform and by milk running to the designated location, ToGoBOX tries to solve the 'Lunch Problem'. Learned and still learning how 'Creative Thinking & Problem Solving' are important in every step of a process of operation and designing experience.

Airbnb | Creative Intern

Jun – Aug.2016 | San Francisco, CA

Created digital & physical design systems for both internal & external audiences to enhance the culture of Airbnb. Closely worked with designers, engineers, and event curators for the projects. Works include poster design, internal branding, website redesign, exhibition design, editorial design, program design, event curation, merchandise production, etc.

Sephora | Creative Intern

Jun – Aug.2015 | San Francisco, CA

Created a collateral piece for 'K-Beauty' project. Participated in brain storming for projects for fresh perspective. Worked with creative directors, art directors, other designers, and project managers for projects that involved information organization, text and image layout, and trend research.

RISD | Teaching Assistant

Feb.2016 – current | Providence, RI

Performed teaching assistant duties to help the instructor to curate the course, communicating and giving critiques to the students in Typography I 2016 Fall & Book Structure class for 2016 Spring Semester.

Samsung Art & Design Institute (SADI) | Teaching Assistant

Feb – March.2014 | Seoul, Korea

Simultaneous translation & assisted foreign instructor to communicate with the students.

W Campaign | Designer

Nov – Dec.2012 | Seoul, Korea

Identity design, poster, pamphlet, T-shirts, badges, and eco bags for a fundraising event in the Medical Department of Korea University.
